FIND A SAMPLE

The bigger the better. **Color matches will not be guaranteed on samples smaller than 2" x 3" size.** Samples can be:

- Original leather or vinyl (found underneath cushions, or pull some staples from the frame)
- Cushion case (please indicate which area you want matched with a piece of painters tape)
- Fuse panel cover or headrest from a vehicle
- Paint chip from a hardware store (beware, the grain of leather/vinyl can alter color appearance)

If you send an irreplaceable or valuable component such as a headrest or cushion case, please insure the item with the freight carrier in the event it is lost or damaged.

OPTIONS & COSTS

- \$20 Color Analysis - We test combinations of our off-the-shelf colors on your sample and recommend a ratio, so you can mix your own. If this is unsatisfactory, you can upgrade to a Custom Color and pay only the \$40 difference in cost.
- \$60 Custom Color - We formulate a unique color to match your sample and keep it on file.
- **All Colors and Clear Prep+Finish™ are a separate cost.**

To **request a Custom Color**, DO NOT send money. Simply mail your sample with this form to the address below. Once received, we'll call you within 1-2 business days to discuss your project and collect payment.

To **request a Color Analysis**, you can pre-pay with credit card on our website or send a \$20 check or money order (US only) along with this form and your sample. We will complete your analysis within 1-2 business days of receipt and contact you with our recommendation.

DISCLAIMER

Many samples that we receive are base-and-print or multi-toned. We mix a single color that your eye reads as a match from a short distance. You can work with a single color or two, but replicating the appearance of the original material is up to you.
